

ABQ Green Industries, Grades 9 and 10

If using a combination of post secondary education and work experience it would be as follows:

For 1-year of related post-secondary or less you must have 5 years of full-time wage-earning experience or 10 years of teaching experience in the subject.

Or

For a 2-year related program you must have 3 years of full-time wage-earning experience or 6 years of teaching experience in the subject.

Or

For a 3-year related program you must have 2 years of full-time wage-earning experience or 4 years of teaching experience in the subject.

Acceptable Experience:

- Arborist
 - Farming
 - Fish hatchery
 - Floristry/gardening/botany
 - Forestry
 - Greenhouse
 - Landscaping & design
 - Sawmill
 - Surveying
 - Veterinarian
 - Use of GPS equipment
- One year of work experience can be interpreted as 1,700 hours of work experience.
 - If you were self-employed, you must submit a sworn affidavit, a business license, proof of income and a letter from a major supplier/customer to confirm your years of work experience.

All admission documents can be sent to aq@uwindsor.ca.
